1<sup>st</sup> Floor Lindeman Pavilion, 1201 Terry Ave, Seattle, WA 98101

To celebrate Nurses Week, Virginia Mason is excited to host an inaugural event for advanced nurse practitioners. This first workshop will include a panel discussion on the future of advanced practice nursing from a local and national perspective.

**April Kapu, DNP, APRN, ACNP-BC, FAANP, FCCM**

Associate Chief Nursing Officer, Advanced Practice and Associate Professor, Division of Critical Care, Department of Anesthesiology at Vanderbilt University Medical Center  
Professor of Clinical Nursing, Vanderbilt School of Nursing

**Laurie Soine, PhD, ARNP**

Nurse Practitioner, Cardiology; Director of Advance Practice Nursing/Chief ARNP at the University of Washington Medical Center

**Lorie Wild, PhD, RN, NEA-BC**

Dean, School of Health Sciences; Professor of Nursing at Seattle Pacific University

The panelists will discuss current ARNP practice and their predictions for future developments in advanced practice nursing. This session will provide an opportunity for questions and answers from audience members. The discussion will conclude with a group spark session to share ideas about the future of advanced practice nursing.

**Objectives:**

- Describe successes for advanced practice nursing in Washington State.
- Discuss future innovations in ARNP practice during the next 5 years.
- Give examples of strategies that advanced nurse practitioners can use in achieving the Quadruple Aim in Healthcare.
