Colorectal Cancer Update

Presented by Virginia Mason Digestive Health & Cancer Institute

Virginia Mason is a recognized leader across the spectrum of colorectal cancer care. This symposium aims to present the latest updates in the field for an audience that spans the cancer care continuum. Broad categories of learning include disparities and high-value screening controversies, personalization management of advanced disease, and cancer survivorship. Attendees will review indications for long-course versus short-course radiation, neo-adjuvant therapy and surgery. Screening, surgical, and multi-modality trials will be highlighted. The overall objective of the course is to demonstrate the benefits of multidisciplinary care — nuanced decision making, latest trials, and individualized care as offered at a Center of Excellence.

Teaching methods include lecture, Q&A with faculty, case presentation and case discussion with audience response system.

TARGET AUDIENCE

This course is appropriate for primary care and specialty physicians. This course will also be of interest to physician assistants, nurse practitioners, and other mid-level providers.

OBJECTIVES

- Detect disparities in colon cancer screening
- Review population-based rationale for screening guideline updates
- Consider pertinent genetics for colorectal cancer screening
- Integrate strategies for high-value screening in colorectal cancer
- Review indications for long-course versus short course radiation
- Assess and identify appropriate candidates for neoadjuvant therapy for colon cancer
- Review management of carcinomatosis in colorectal cancer
- Identify and integrate important patient priorities in survivorship into treatment plans
- Consider functional outcomes after surgery and radiation
- Detect patient and tumor factors associated with treatment success

Virginia Mason Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION: The Virginia Mason Medical Center designates this live activity for a maximum of **5.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Agenda

- 7:00 a.m.** *Registration opens, continental breakfast*
- 7:30 a.m.** **GRAND ROUNDS PRESENTATION**
Update on Disparities in Colorectal Cancer Screening and Outcomes
Arden Morris, MD
- 8:30 a.m.** *Break*
- 8:45 a.m.** **Opening Remarks/Overview**
- 9:00 a.m.** **Update on Screening Guidelines** | Joanna Law, MD
- 9:15 a.m.** **Screening in High-Risk Genetics** | Gautam Mankaney, MD
- 9:30 a.m.** **Strategies to Improve Screening** | Rick Ludwig, MD
- 9:45 a.m.** **Faculty Panel Discussion: How Do We Improve Screening?**
- 10:00 a.m.** *Break*
- 10:15 a.m.** **Introduction to Controversies and Debates**
- 10:20 a.m.** **DEBATE 1**
Short vs Long-Course Radiation for Rectal Cancer | Andrew Suen, MD
and Amber Post, MD
- 10:45 a.m.** **DEBATE 2**
**Neoadjuvant vs. Personalized Adjuvant Chemotherapy for Advanced
Colon Cancer** | Bruce Lin, MD and Val Simianu, MD
- 11:10 a.m.** **DEBATE 3**
**Value of Adding HIPEC to Surgical Debulking/ Cytoreduction in
Colorectal Cancer** | Ravi Moonka, MD and Harveshp Mogal, MD
- 11:35 a.m.** **Colorectal Tumor Board: Faculty Panel and Case Presentations**
- 12:00 p.m.** *Lunch Break*
- 1:00 p.m.** **Survivorship in Colorectal Cancer** | Karin Hardiman, MD
- 1:30 p.m.** **Improving Rectal Function After Treatment** | Jenny Kaplan, MD
- 2:00 p.m.** **Contemporary Options in Management of Liver Mets in Colorectal Cancer**
Lauren Wancata, MD
- 2:30 p.m.** **Final Questions and Closing Remarks**

This course will be held via livestream presentation.
