

## Charge Nurse Workshop: Strategies for Success

November 3, 2021 0800-1530 Virtual via Zoom

**Course Description:** Nurses who serve in the charge nurse role encounter multiple challenges daily such as conflict resolution, deescalating stressful situations, maintaining a therapeutic/safe working environment and facilitating daily operations. This workshop will provide a theoretical framework and practical strategies to empower the charge nurse to deal with the daily challenges. Both veteran charge nurses and those interested in pursuing the Charge Nurse role will benefit from taking this course. Learning strategies include lecture, discussion, and simulation.

### Course Objectives:

1. Describe the essential components for professional behaviors for a charge nurse.
2. Describe the 5 rights of effective delegation.
3. Identify the charge nurse's role in influencing patient/staff safety.
4. Identify the charge nurse's role in influencing patient/staff outcomes.
5. Identify how the charge nurse facilitates daily operations.
6. Explore practical strategies for preventing stress.
7. Explore practical strategies for managing stress.
8. Discuss effective feedback strategies.
9. Explore approaches for conflict resolution.
